About Us

We are E-Learning Platform

CourseWale is a E-Learning platform specialized in providing a course for the different Data Science subject. CourseWale was the first to introduce the concept of offline coaching through its Pendrive courses which was very innovative step towards the E-learning education and now it has become very popular and huge in demand among the students interested in Data Scientist as a carrier. More than 2 lakh students have been associated with a different course of CourseWale and have been successfully placed in the different companies as a Data Scientist.

WHY US?

Exchanging Notes no more a Hassle

We are the one who introduced the concept of Pendrive coaching so that you can prepare for Government job exam at the ease of your home comfort by watching our video made by the top-notch faculties of India, you can learn at any time and from anywhere without wasting your precious time. We made the exam preparation easier with our courses and changed the concept of learning to E-learning.

- Tough
  made easy
- Switch
  to smart
- Revolutionary
  learning Initiative
- Learn at
  Your Own Pace
- To Forge a Better
  Understanding
